NFL Films at Guthrie

Apparently during the September 29th game between **Silverton** and **Guthrie**, NFL Films will be taping the game for a special....**Mullin** will definitely have its hands full when they travel to **Covington**. They Owls will be looking for revenge for last seasons thumping....**Lefors** and **Follett** will give another big preview of district one. Both were expected to fight for second, but have stumbled a bit....Another huge game of the week will be **Jonesboro** at **Coolidge**. We'll definitely get to see what the Yellowjackets are made of against the Eagles speed....**Star** and **Iredell** could both be winless....**Loraine** may finally get a break as they'll meet a diminished **Grady** squad....**Dell City** and **Lazbuddie** are sure to provide some good football....**Richland Springs** and **Zephyr** could combine for 130 points, as two of last seasons big offenses meet.

See you next week.....

Week Three

September 22, 1995

\$150

Rocky Mountain High

The Weldon Valley, Colorado Warriors shocked the Mullin Bulldogs, as well as over 7800 fans, Saturday night in Brownwood's Gordon Wood Stadium. The Warriors, led by All-Colorado quarterback Shawn Loos defeated the Bulldogs 58-44 in the what was deemed The Super Bowl of six-man football.

Loos guided a deceptive attack from Weldon Valley that involved a plethora of formations and misdirections that kept the Bulldogs on their heels. One formation included using five players on the line of scrimmage, causing an end or two to reverse towards the backfield.

Weldon Valley relied heavily on its speed. They didn't

have the size to match up with Mullin, but made up for it with quickness. Their largest players were 5'11" and about 185. Loos, along with fellow All-Colorado team members Chuck Thompson and Travis Shaver, were constantly getting past a stunned Mullin defense.

Offensively, Mullin relied heavily on All-American Petey Salaiz, who rushed for over 330 yards and scored four rushing touchdowns. WV coach Jeff Durbin replied gratefully, "I hope we never see that Salaiz kid again". The Bulldogs were also haunted by three costly turnovers. The Warriors committed none.

Rocky Mountain High, cont.

Both teams scored early and often. Mullin started the scoring on a 40 yard run by Salaiz on the second play from scrimmage. Late in the second quarter, WV grabbed the lead and never relinquished it.

After heading into the locker room at with a 32-30 lead, Weldon Valley continued to score at a fevered pace. Mullin appeared to tire and couldn't stop the scoring machine.

other action

Sands played solid football in their 34-28 victory over **Loraine**. The Mustangs played aggressive defense that consistently kept Loraine at a distance. Coach Cooper's son Bear Cooper was taken to the emergency room after getting blocked from behind on a punt return. He appears to be fine.

Brookesmith remains undefeated. These Mustangs seemed to have continued where they left off last season....**Borden County** shut out a **Grady** team that is down to around eight players...**May** gave new coach Steven Howard his first win....**Jonesboro** topped **Cherokee** in what could be a first round playoff matchup...**Cranfills Gap's** losing streak is now at 28 straight games...**Oglesby's** new coach Wyatt Keeney defeated his alma mater, **Star** this past weekend....**Rochelle** and **Silverton** pulled off minor upset in their respective wins this weekend.

Look forward to extended coverage next week, including district standings and state leaders.

big games

#1 Amherst at #37 Meadow

Amherst moves into the top spot for the first time this season. The defending champs are the third highly ranked team the Broncos face in three weeks. Don't expect any sympathy from the Dawgs. Last season: Amherst 29, Meadow 6.

#1(p) Midland Christian @ #18 Loraine

The Loraine Bulldogs hope to escape their funk. They have lost thier first two ball gamesby a mere TD. MC comes off a big win against Lazbuddie. The Mustangs are extremely physical and hope to claim a title in their final season of six-man competition. Last season: Loraine 60, Midland Christian 40.

Trivia Question: What current head coach assisted on a touchdown score (as a player) in the 1980 Six-Man Title game?

week three

#6 Woodson @ #26 Rochester

The Cowboys and the Steers, how much more do you need to know? Both are starting off hot, Rochester is one of the surprises this season. Expect the Cowboys to rope the Steers. Last season: Woodson 72, Rochester 24

The Game of the Week #84 Marathon @ SA Sunnybrook 2:30pm Saturday

Of course I'm going to choose a game in San Antonio. This will be interesting. Marathon returns to six-man after a short hiatus, while Sunnybrook has gone to the TCAL championship game the last two seasons, winning it in '93. This could be the Mustangs only hope for a win in 1995. Take the 'Stangs and the points.

#21 Sidney @ #43 Brookesmith

Both squads are undefeated, a bet you could have gotten great odds on before the season. Sidney should be too strong. Last season:

Sidney 50, Brookesmith 0.
