## Who's Number One?

I am constantly being asked: who's the best team in the state?

My initial thought is to respond: does it matter right now?

That may seem a little terse, but it really doesn't matter. Most coaches agree that the only time they want to be ranked number one is at the end of the season. Sure it's nice to be recognized as a great team, but winning it all is what it's all about.

This year, two teams, Whitharral and Gordon have both held the top spot in The Huntress Six-Man Rankings.

Whitharral was on top the first three weeks, as Gordon kept creeping closer. The Longhorns finally overtook the Panthers in week four, only to fall back to second last week.

The main reasons for the flip-flop is the strength of schedule factor and the 45-point rule in six-man.

The rating system gauges strength of schedule versus point differential. Sometimes a team should win by a theoretical 70 points, but can only win by 45. The winning teams is not penalized, but they also cannot pick up any points.

That's exactly what has happened to with Gordon and Whitharral.

As for who I feels is best, I still like Whitharral.

Incidentally, Gordon and Whitharral have only met once in the history of the schools. In 1981, the year Whitharral won it all, they defeated Gordon in the state semifinals, 54-18.

## Friday Night Heroes

Luis Delgadillo continued his torrid pace, leading the Panther Creek Panthers to a 60-0 win over Novice. Delgadillo 268 total yards and scored six rushing touchdowns. He also returned a punt 45 yards for another score.... May's Brandon Purcell led the Tigers with 229 yards on 24 carries and three touchdowns.... Sanderson defeated Buena Vista 51-20, behind Jesse Martinez' four touchdown passes and Mike Sanchez' 70 interception return for a score. Sanderson scored the final 30 points of the game.... Trinidad's Damien Jackson had 13 rushes for 262 yards and four touchdowns against Blum. Jackson also caught one pass that resulted in another score. For the season Jackson has 1128 yards on 83 carries and 21 touchdowns.... Cherokee's Steven Craft rushed for touchdown scores of 10, 20, and 25 to lead the Indians in a 34-22 victory over Rochelle.... Whitharral's Brandon Rodgers has scored 19 touchdowns and kicked 22 extra points, for a total of 158 points....

## Big Games in Week Seven

**#19 Dell City @ #24 Balmorhea:** A do or die situation for both playoff veterans. Both have already lost to Grandfalls, so loser here can look to stay home come playoff time, unless something crazy happens. Last season: Balmorhea 49, Dell City 42.

**#51 Buckholts @ #28 Jonesboro:** A must win for Buckholts in a battle between last year's playoff teams. Should the Badgers lose, their playoff hopes lie in the hands of Oglesby and Cranfills Gap to upset one of the other teams. Last season: Jonesboro 56, Buckholts 28.

**#41 Ropes @ #32 Wilson:** Wilson hopes to make a move toward their first playoff berth since 1988. A win over Ropes will put them on their way. Unfortunately, the Mustangs seems to start fast and sputter down the stretch. Last season: Wilson 58, Ropes 31.

**#4 Zephyr @ #26 Brookesmith (Sat):** We will finally get a chance to see if those Brookesmith Mustangs are for real. Zephyr has a ton of talent and numbers. Brookesmith has Eric Clawson and will try to make this a shootout, but Zephyr's defense behind Dusty Miller and Company should slow them down some.

**#7 Lazbuddie @ #35 Silverton:** In another tough district race, this one could send the loser packing. Whitharral stands on the horizon for both. Can Arnold Garza outrun Justin St. Clair's offense? Silverton needs to turn the corner on their season in a hurry if they have any playoff aspirations. Last season: Lazbuddie 28, Silverton 14.

**#1 Whitharral @ #23 Three Way:** Whitharral has looked unbeatable all season. The Panthers now face what may be their first complete game test. Three Way started strong, but has floundered in the last two weeks. Eagles will need a big offensive game against the states top defense. Last season: Whitharral 68, Three Way 30.

**#46 May @ #11 Panther Creek:** May gets a chance to see if they're really ready for district 10. Panther Creek is the favorite, but May has surprised all year long. This one should be a physical battle. Last season Panther Creek 57, May 34.

**#25 Morgan @ #22 Walnut Springs:** Loser here must still face Gordon and Strawn. Winner gets inside track for a playoff spot. Undefeated Wlnut should have a slight edge. Last season: Morgan 34, Walnut Springs 28.

## Megargel, Star Forfeit Games

It's that time of year where teams around the state start to forfeit games.

That's the nature of six-man football, played in towns with limited supplies of players, unless of course, you're in Zephyr.

If you start with 12 players, and lose a few to injury and a few to grades, all of a sudden your out a bodies.

This week it was Megargel and Star, while last week both Sierra Blanca and Morgan were involved in forfeits.

Megargel played a 'JV' team that was victorious over Paint Creek this weekend. The Mustangs were forced to do this because of a lack of numbers and a need to play ineligible players.

Star is also playing a 'JV' schedule because they will be using players who do not qualify for varsity competition. This weekend the Tigers forfeited to

Brookesmith.

Last week, Sierra Blanca forfeited its game with Sanderson. This week the Vaqueros found some new players and were able to field a team Friday night against Balmorhea.

Morgan's situation is different because they used an ineligible player by accident at the end of a game.

### statistical notes on forfeited games:

★ Games actually played are considered for The Huntress Six-Man Rankings.

Megargel does not get credit for statistics played by their 'JV' squad, but Paint Creek's loss on the field does affect their ranking. The statistics and points from the Morgan-Blum game do count toward both teams' rankings.

★ In games played, but forfeited, coaches

who lost the game on the field, but win by forfeit do not get credit for a win and are charged with a loss, eventhough the team gets credit for a win. Coaches are considered players in the game and their on field statistics count as do the players.

★ In games not played, teams and coaches get credit for a win or loss, and are not penalized or given credit for points scored/allowed.

Brookesmith, Sanderson, Star, and Sierra Blanca count thier scoring and defensive averages based on one fewer game than their record shows. The two points for a forfeit does not count toward that total.

★ These ruling are based on the NCAA Statisticians' Manual, which states that per-game statistics should be based on games actually played.

## Six-Man on the Internet

Six-Man football on the internet? Of course.

The Huntress Six-Man Rankings have been on the internet for over a year. And last week I took the time to update the latest rankings and scores.

It will become policy that all new rankings and scores of every game played over the weekend will be updated by Sunday night.

You can catch a peek at: <http://lonestar.texas.net/~gran ger//sixhome.html>.

From this location you can access The Huntress Reports' All-State teams, rankings, final

scores from every six-man state championship game, and more.... I hope to keep adding information as I get the time.

Keep in mind, this is a work in progress.

I have also found some other six-man friendly sites. The Abilene Reporter-News posts AP scores, while The San Angelo Standard-Times actually puts box scores from Friday's games.

Abilene's site can be reached at <http://www.texnews.com>, while San Angelo is at <http://www.texaswest.com>.

If you have a site, or know of one, please pass it along. My e-mail is [granger@texas.net](mailto:granger@texas.net)

## Sports Illustrated Article to Hit Newstands Next Week.

Sports Illustrated's article on six-man football in tentatively scheduled to hit newstands on Thursday October 24.

The article, written by John Ed Bradley will feature the Gordon Longhorns and the Zephyr Bulldogs.

Bradley visited six-man country for about five days in September and attended the Gordon-Zephyr game during the first week of the season.

Bradley is a regular contributor to Sports Illustrated and did the preseason piece on Emmitt Smith.
