# the skinny

◆ In district 1: Samnorwood is in the playoffs. If lefors wins at home, they win title. If they lose, they lose the tiebreaker to Follett, but win tiebreaker with Miami in a two way tie. If there is a three way tie, they go by score differential and Miami is eliminated. Lefors has a 24 point advantage over Follett with a 20 point cap.

◆ In district 2: Lazbuddie takes the title with Amherst claiming second.

◆ In district 3: Meadow can claim title with a win. That would leave the Ropes-New Home winner in the runner-up spot. If Meadow loses, things get tricky.

◆ In district 4: Guthrie and Jayton are playing for the title with the loser taking second.

◆ In district 5: If Wellman and Grady win and Sands loses, Wellman wins the title with Grady runner-up. In a three or four way tie, it goes to a coin flip.

◆ In district 6: Loraine-Hermleigh winner decides champion. If Loraine loses, they are second. If Hermleigh loses or ties, Highland goes if they win vs. Westbrook, otherwise

Herleigh takes second.

◆ In district 8: If Balmorhea wins, they take the title and Dell City is runner-up. If Buena Vista wins, the tie is decided by a coin flip.

◆ In district 9: Chillicothe is champion. If Harrold wins, they get second, otherwise it's a flip.

◆ In district 10: Woodson has won. Should Paint Creek win, they are runner-up. If they lose and Moran wins, the tie is broken by a flip. If PC and Moran both lose, Lueders goes.

◆ In district 11: If Blackwell wins, they win the title (combined with a Panther Creek win gives PC second). If they lose and PC loses, Paint Rock wins the title and Blackwell takes second. If PC wins and Blackwell loses, flip.

◆ In district 12: Mullin has won title. If Zephyr wins, they're in. If they lose and May wins, they flip. If Zephyr loses and May loses, Gustine is in.

◆ In district 13: Gordon and Strawn are playing for the title.

◆ In district 14: Milford is first and Covington second.

◆ In district 15: Cherokee is champion. If Richland Springs wins, they're in. If they lose and Lohn wins, flip. If they lose and Lohn loses, Brookesmith goes.

◆ In district 16: Jonesboro and Oglesby are playing for the title.

# The Huntress Report

the six man weekly

November 4, 1994

\$1.50

I have been working on my six man rankings now for about two years in an attempt to better understand, not only the top teams in the state, but also the weaker teams around the state. Six man football can become an obsession, and it has with me. In my travels around the state, I have found others who yearn for information about other teams across the state. My hope is that this publication will help you, the fan, get a better understanding of the game as it is

played by all 83 public school teams in the state of Texas.

Next week, as we head into the state playoffs, I will publish a special edition of The Huntress Report that will contain interesting facts and figures of the entire season, including every score of every game played this season. I will also publish a supplement each week, updating the playoff brackets and scores.

I plan to publish this newsletter each week during next season. I welcome any suggestions and hope you enjoy it.
