thanks

I just want to thank everyone who helped me in any way this season. I feel as though it has been a successful one. From the press releases I generate and send to papers across the state, quite a few stories have been written by the newspapers that generally cover six-man action. The real success has been when a non six-man paper has published an article. This makes me feel good that the kids are starting

to get some recognition and respect they deserve. It hasn't hurt that there have been some great stories and players. Students like Petey Salaiz and Dwayne Miles are the best ambassadors the sport can have. Not only are they tremendous athletes at any level, they are tremendous kids. Again thank you to all and I hope you enjoy the playoffs. Please feel free to contact me if you have any questions.

Let's Dance

It's time once again for the second season. Ten more teams earned their way into the playoffs this weekend.

Meadow stopped Southland 36-18 to get the district 3 title. Southland already had a spot.

Jayton beat Guthrie, 45-20 to take district 4, while Rochester gets second over the Jaguars.

In the east, Chillicothe thrashed Benjamin 50-0, allowing the Northside Indians to grab second place in district 9. Blackwell beat Paint Rock 43-28, to capture second in district 11.

In district 15, Cherokee beat Rochelle last Thursday night, 44-30. On Friday, Richland Springs beat

Brookesmith 58-12. This gave Richland the title and put Cherokee in second.

The big shocker comes in district 14, where Milford and Trinidad get to play on. Milford was odd man out on the coin flip, giving them the district title. This left Trinidad and Covington, with Trinidad advancing because of their victory over the Owls.

Covington stays home despite losing only one game by a mere three points.

It is possible that Mullin and Milford could meet in the quarterfinals. These two teams were both beaten by Covington this season.

Help

Coaches and others please help The Huntress Report. Call or FAX in stats by 5pm on Sunday at phone # (210) 826-1712 or FAX # (210) 824-6439. This would be most appreciated. Thank you

Petey Passes 10,000

Ira forfeited again this weekend, giving them five forfeits for the season.... Megargel also forfeited to Harrold this weekend, giving the lowly Hornets a victory. Harrold had scored only 24 this season.... Dwayne Miles had 249 yards on 22 carries and 3 td's, he also caught a pass for another.... Steven Browning of Miami passed for 169 yards and rushed for 193 yards this weekend in a victory over Higgins. Steven ran for 2 td's, passed for 4, and caught another.... Nathan Hayes had 335 yards on 28 carries in Blackwell's big win over Paint Rock. Joe Blackburn also rushed the ball 24 times, as the Hornets did not attempt one pass, opting to keep the ball on the ground in the strong winds.... As you will see, Jeff Hill of Westbrook is probably the state passing leader. He has over 2400 yards passing this season, but I have not been able to confirm the exact total.... In private school action, Anthony Gattin of Cornerstone rushed the ball 22 times for 414 yards and 6 td's in a 79-25 win over Christway... Petey Salaiz had 224 yards against Sidney, giving him 10,097 total yards for his career....

**Strawn-Milford
at FW Christian
7:30 Friday**

Strawn has to overcome last week's tough loss to rival Gordon and the history of losing to Milford at this stage last season. Milford is the type of teams that scares people, they are both big and fast. The Bulldogs might actually match Strawn for speed.

Players to look for: Chris Pendleton, Kinta Cook, and Jackie Winchester are the keys at Mullin. Justin Lawrence, Aaron Orcini, Sha Copeland, and Mike Camfield lead the Greyhounds

What the computer says: Milford by 10

**Cherokee-Jonesboro
at Blanket
7:30 Friday**

These two teams played earlier this season in week two, with Jonesboro winning 28-12. Cherokee has been tough lately, running the table in district after an opening loss to Richland. Jonesboro hasn't been tested in weeks.

Players to look for: Cherokee's Keith Crawford, Andre Ford, and Martin Perez hold the keys. At Jonesboro look for the Young Cousins, Justin and Kevin, to get the ball a ton behind Bryan Nesessary.

O'Brien Captures First Six-Man Crown

On Friday, December 8, 1972, the O'Brien Bulldogs defeated the Jarrell Cougars 60-14, to capture the first ever six-man state championship in Coleman.

The Bulldogs were coached by C.H. Underwood and completed the season at a perfect 12-0. Jarrell finished at 10-2.

Danny DelHierro led O'Brien with an amazing 390 yards rushing and six touchdowns. The tiny 140 pound back was unstoppable, punishing the Jarrell defense for 273 in the first half alone.

Two Thousand fans witnessed the game, as the Bulldogs put the Cougars away with 3:48 still remaining in the third period.

In 1972, teams were finally allowed to advance past regional round in all classifications.

Jarrell's Patrick Palousek ran for a score and threw for another to help their cause, but it wasn't enough.

The Cougars in general could only muster up 153 yards in total offense, compared to the

511 yards the Bulldogs compiled. The Bulldogs had 458 yards in rushing alone.

Louis Conn scored two touchdowns, including the clincher. Rayland Hayes kicked the extra point to seal it.

The Draw

The Matchups

Samnorwood-Whitharral at Guthrie 7:30 Friday

Both come in with impressive 9-1 records. Both towns are actually first and last names. Look for both teams to try and pound the ball. Whitharral is a probably a little faster and should get the edge.

Players to look for: Levi Carter, Adam Wright and Dane Martindale lead the Samnorwood offense. Wright and Martindale head the defense. On the Whitharral side, Cameron Dockery and Brandon Rodgers are the leaders.

What the computer says: Whitharral by 3

Meadow-Rochester at Jayton 7:30 Friday

Rochester turned some heads a few weeks ago by beating Guthrie. Meadow has come on strong after losing their first five games. This should be another smash-mouth football game.

Players to look for: Thomas and Charlie Parks from Rochester. Casey Rowland and Randall Beasley will lead Meadow.

What the computer says: Rochester by 8

Klondike-Highland at Borden County 7:30 Friday

Klondike looks to be too tough on paper, but you can never count out Kerry Owens. The Cougars are one of three undefeated teams in the state and are coming off a huge win over Sands.

Players to look for: Tanner Ethridge is the complete player at Klondike. He is supported by two 1000 yard rushers, Chris Arizmandez and Lon Estes, and receiver Clayton Roberts. Highland's star is Cody Muncy.

What the computer says: Klondike by 37

Miami-Amherst at Silverton 7:30 Thursday

Miami will have to be transformed into the Dolphins to win this ball game. Amherst is just too loaded with talent. The Warriors have had a great season, but are just outmanned for this game.

Players to look for: All-world running back Dewayne Miles is the heart and soul of Amherst. He has excellent support in Brandon Pointer and Tommy Traylor to name a few. Steven Browning, Joel Ortega, and Chad Taylor lead Miami.

What the computer says: Amherst by 45

Southland-Jayton at Post 7:30 Friday

Jayton's only loss came to top-ranked Amherst. Southland has had a great season after going 1-9 last year. Jayton's offense is balanced, giving them a dangerous versatile attack.

Players to look for: Nick Shock, Samuel Smith, and Clifton Kirby head Jayton. Jimmy Gatica, Billy Salone, and Jaime Anaya run the show at Southland.

What the computer says: Jayton by 33

Sands-Westbrook at Ira 7:30 Friday

One of the most interesting match-ups of the first round. Sands comes in with the state's top-rated scoring defense, while Westbrook sports the state's most prolific passer.

Players to look for: QB Jeff Hill of Westbrook probably leads the state in passing. Dallas Hopper, Steven Gillespie, and Justin Hambrick are just a few of the Mustangs.

What the computer says: Sands by 8

Chillicothe-Point Creek at Crowell 7:30 Friday

Chillicothe has come on strong since dropping their first two games. For Point Creek, the year has been a roller coaster ride. They have quality talent, but are a little slower than Chillicothe.

Players to look for: The Kendrick Brothers, Lamar and Henry lead the Chillicothe attack. Point Creek's Shannon Waters was among the state leaders in rushing. Also look for Casey Thompson and Bobby Scheets also contribute regularly.

What the computer says: Chillicothe by 18

Panther Creek-Sidney at Early 7:30 Friday

Panther Creek is another team that has caught fire after a slow start. The Panthers are winners of their last 7 games. Sidney has been great offensively at times, but was shut out last weekend.

Players to look for: Sidney's Craig Steele is one of the best QB's in the state. Panther Creek has tons of kids, including Luis Dellagadillo and Miguel Guiljosa.

What the computer says: Panther Creek by 25

Gordon-Trinidad at Hamilton 7:30 Friday

What consider one of the most interesting match-ups. We get to see Trinidad, a team that beat Covington and was shut out by Milford, play a tough Gordon squad.

Players to look for: For Gordon, expect Jason Sizemore or Jim Kostiha to touch the ball on every play. Trinidad is virtually unknown, but look for Mikey Warren and Surmane Jackson.

What the computer says: Gordon by 10

Richland Springs-Buckholts at Evant 8 Friday

These two teams played earlier in week two, a game RS won 50-12. Buckholts has improved since then, but still doesn't have the Coyotes depth. RS feels this may be the year they get everyone's attention.

Players to look for: Gary Talafuse, Marino Casares, and Richard Ruzicka lead the Badgers. Brandon Lusty, Regan McKinnerney, and Sammy Rodriguez are a few of the tough Coyote leaders. QB Lusty is a tough kid who likes to hit downfield.

What the computer says: Richland Springs by 30

Northside-Woodson at Seymour 7:30 Friday

Speed kills, and Woodson has a ton of it. The big question is if QB Rory Peacock will be able to go with his broken hand. Northside is an unimpressive 4-5, with 2 wins over Harrold, 1 over Benjamin, and a forfeit.

Players to look for: Pete Miller, runner-up in the class A 100 meter dash, is the main speedster at Woodson. Peacock is a speedy safety. Northside

What the computer says: Woodson by 45

Blackwell-Mullin at Coleman 7:30 Friday

Mullin has come on strong in the last few weeks. They are playing like a team possessed. Blackwell did not really run it up on anybody, but consistently continued to win.

Players to look for: Petey Salaiz, Charlie Smith, and Bobby Teague are just a few of the Bulldogs that make it work. Nathan Hayes is the main threat at Blackwell. Brandon Boyd and Joe Blackburn are big contributors.

What the computer says: Mullin by 42
