

**Roosters Have Little to Crow About  
as Wolbach Crushes Milligan  
for Nebraska Title**

Wolbach raced out to a 32-0 lead and then coasted to it's second consecutive Nebraska state championship, 54-20 over the Milligan Roosters, last Thursday in Lincoln.

Wolbach's passing game was unstoppable, as Craig Oakley completed 24 of 29 attempts for 270 yards and two touchdowns.

Eric Earl caught ten passes for 127 yards, while rushing eight times for 114 yards, including one 69-yard scoring run.

The Mustangs held Milligan's Danny Graham, who entered the game with nearly 1900 yards and 33 touchdowns, to only 72 yards.

Graham did return a kickoff 70-yards for the Roosters final score.

**Revere Rides to Colorado Title**

The Revere Raiders became number one by land, behind Brandon Mollendor's 227 yards on 19 carries, to defeat Prairie, 44-18 last Monday in New Raymer.

Revere, who lost 18-0 to Gordon two years ago, got a bit of revenge over the Mustangs, who had handed the Raiders their only loss, 64-54 in October.

Mollender led the way, rushing for two scores, while passing for two more. He finished the season with over 2300-yards rushing.

Mollender is the player who returned a kick-off for a touchdown against Gordon that was called back on a personal foul penalty.

Revere, who finished the season with a 10-1 record, scored a record 664 points this season, a whopping 60+ points per game.

The title is Revere's fifth state championship in the last eight years, which includes a couple of eight-man titles.

**Teams Rise to the Top**

Like cream, the top teams have risen to the top, and this year's bracket is loaded with talent.

For the first time since 1981, all eight quarterfinalists are district champions. That was the last year where only district champions were allowed into the playoffs.

It also happens to be the year Whitharral won it all.

The 'Great 8' also have only five losses between them, and two of those losses are between each other.

There are four undefeated teams in the draw, and it is conceivable that all four semifinalists could be undefeated.

Three of those teams- Whitharral,

Milford, and Gordon- started the season ranked numbers 1, 2, and 3. Through the first 12 weeks they have swapped places.

The fourth undefeated team, Grandfalls-Royalty, started the season at ranked 55th in the state, and picked to finish 5 thin their traditionally tough district 8 race.

The Cowboys started with a win over New Mexico state runner-up, Lake Arthur, and have kept winning ever since.

The others- Zephyr, Chillicothe, Blackwell, and Southland- started the season ranked numbers 5, 6, 11, and 25, respectively.

**How They Match Up**

**#1 Whitharral (12-0) vs. #5 Southland (11-1)**

A rematch pitting two teams that met in week one. Southland has not lost since they were shut out 42-0 by the Panthers back in September. Since then, they have averaged over 50 points per game, and allowed just under 17 points per game. Whitharral has surrendered only 126 points all season.

**Computer Line: Whitharral by 19**

**#2 Gordon (12-0) vs. #4 Zephyr (11-1)**

The other week one rematch. Both teams have looked forward to this meeting that was so highly publicized in Sports Illustrated. Gordon suffered their first scare and was actually trailing at the half 26-16, last weekend versus Trinidad. The veteran squad rallied behind their senior leadership and may have just been caught looking ahead. Zephyr has averaged over 42 points per game since that contest.

**Computer Line: Gordon by 8**

**#3 Milford (11-0) vs. #7 Blackwell (10-1)**

The Bulldogs have been relentless, on their personal quest for a third straight championship appearance. Once again they appear to be putting it all together at playoff time. Their stingy defense has allowed only 78 points all season, and they have outscored their opponents by an average score of 50-7. Blackwell has averaged 53.5 points per game since a week one loss to Westbrook.

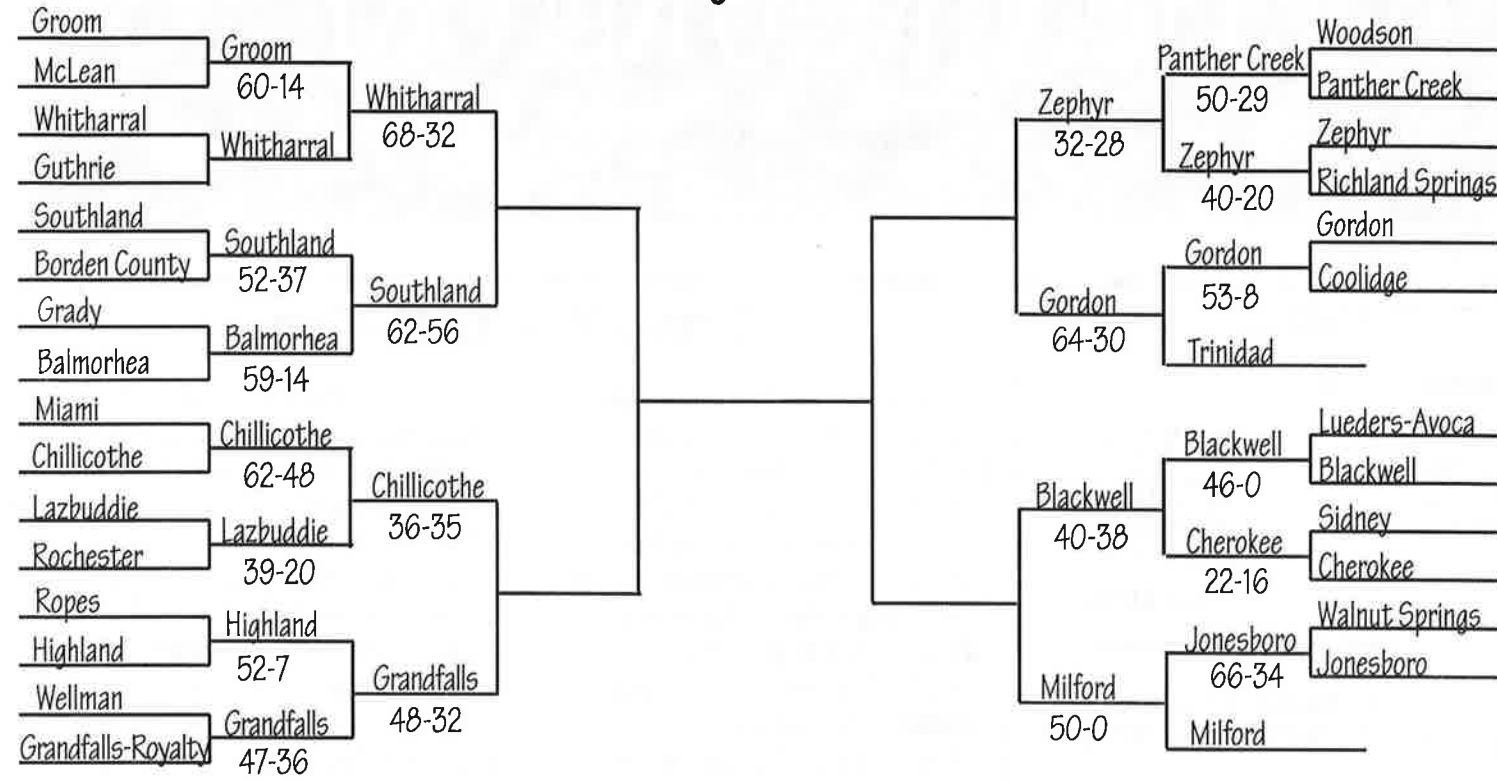

**Computer Line: Milford by 11**

**#6 Grandfalls-Royalty (12-0) vs. #8 Chillicothe (10-2)**

Grandfalls proved Saturday that they are to be reckoned with. The Big Red Machine kept knocking away at Highland until they finally took control. Chillicothe has Henry Kendricks, who has 543 yards in only two playoff games. The Eagles squeaked by Lazbuddie, but are still averaging 57 points per game.
